Meg's Toy Box

Membership Agreement

I agree to the following conditions of membership at Meg's Toy Box, community toy library:

- A refundable deposit will be paid at the time of joining. Following a period of three years non-membership this deposit will be considered a donation if it is not claimed within that time.
- Deposits can only be refunded by the Treasurer by cheque made out to the member. This may take one month. Deposits will not be refunded in cash.
- An annual membership fee will be paid at the time of first borrowing each year.
- Parents and carers are responsible for choosing toys appropriate to the age and ability of the children in their care.
- Only 4 toys may be borrowed at one time, only one of which may be a big toy, for an initial period of 1 or 2 weeks.
- Toys may be borrowed for a total of 4 weeks without penalty. Additional weeks incur a penalty fee of twice the weekly hire fee.
- The initial 1 or 2 weeks rental will be paid at the time of borrowing. Additional "late" rental is to be paid on return of toys.
- There is a grace period for returning toys until the next day of borrowing. Additional hire fees will be charged thereafter.
- Toys must be returned for the Christmas stock-take period.
- All toys will be cleaned before they are returned to the library.
- All storage containers and bags will be returned with the toys.
- If storage containers or bags are lost or damaged, a contribution toward replacement is requested.
- If pieces can't be found for a toy, the member will be asked to re-borrow the toy for 1 week to allow time to look for the missing piece. If, however, the missing piece can't be found the member may be asked to buy the toy at a depreciated rate.
- The toy library accepts responsibility for wear and tear of toys through ordinary play. If, however, a toy is damaged through inappropriate use the member must buy the toy at a depreciated cost.
- During the period in which the toys are hired, Meg's Toy Box takes no responsibility for any injuries, accidents or damage caused by or involving those toys.
